Sample Itinerary:

Day 1 - Shoreline reintroduces one of the most popular holiday tours in our history. Highlighted by performances at **Ford's Theatre and The Kennedy Center for the Performing Arts**, this promises to be a memorable getaway. We'll stay **downtown** at the **Hampton Inn or Homewood Suites**, both quality properties. A travel day gets us in around dinner time. After dinner we'll head out with a guide to explore D.C. on a special "**illumination Tour**". No trip to D.C. is complete without viewing the monuments and memorials by night. You'll also be able to visit the **National Christmas Tree** that has been lit in President's Park since 1923. The walkway surrounding the tree features 56 state and territory trees decorated with handmade ornaments that are unique to each tree.

Day 2—A comprehensive sightseeing tour of D.C. highlights our day. You'll have a chance to visit up close several memorials including the **Lincoln Memorial, Vietnam Memorial and World War II Memorial**, plus the **Korean**. Many of the other monuments and memorials will be viewed on our tour. Another tour highlight is a tour of the **Washington National Cathedral** of Neo-Gothic design, it is the sixth-largest cathedral in the world. From its 112 gargoyles to the 215 stained glass windows, the Cathedral features a dizzying array of whimsy and wonder. **Dinner is included** followed by the performance of **A Christmas Carol** at the famous **Ford's Theatre**. As a living tribute to Abraham Lincoln's love of the performing arts. Ford's Theater produces musicals and plays that embody family values, underscore multiculturalism, and illustrate the eclectic character of American Life.

Day 3—Begin with a visit to the **White House Visitor Center**. Explore an interactive touchscreen tour of the White House, view over 90 artifacts from the White House collection, view the film "**White House: Reflections From Within**" and shop in the retail store. Next, "**Christmas at Mount Vernon**", is a special treat. Unique festivities include themed decorations, a dozen beautifully themed Christmas trees, a gingerbread Mount Vernon, historical chocolate-making demonstrations, 18th century dancing, and even a Christmas camel just like George Washington had on the grounds during Christmas 1787. Of course, the popular tradition continues as they invite you to meet the charming Mrs. Washington. Enjoy a little leisure time back at our hotel before a truly memorable evening at the **John F. Kennedy Center for the Performing Arts**. Start with dinner at the acclaimed **Roof Terrace Restaurant at the Kennedy Center**. Innovative adaptations of classic dishes using seasonal ingredients that showcase global flavors and accentuate traditional French techniques provide us with an upscale dining experience. All this in a dramatic deco-inspired dining room with one of the best views of the city. Next, **The NSO Pops: Happy Holidays Concert** performed at the Kennedy Center a truly special memory. The performance is a time-honored holiday classic, and is the premier holiday concert at the Kennedy Center. The NSO captures the spirit of the season with a surprise visit from Santa. What a night!!!!

Day 4 - Breakfast included before heading for home.
