Featuring: Krzysiak's House Restaurant for Lunch

Wednesday, July 19th, 2023

Discover acres of identified trees, shrubs, herbaceous perennials, and flowers. Dow Gardens was established in 1899 by Herbert H. Dow for the enjoyment of his family, friends, and associates. Since then, the gardens have delighted hundreds of thousands of visitors from all over the world. The Dow Gardens is owned and operated by The Herbert H. and Grace A. Dow Foundation.

Stretching just over a quarter of a mile long throughout Whiting Forest, the canopy walk splits off in three directions, each offering a different overlook experience and scenery. The canopy walk is the longest in the country.
