

Creation Museum and The Ark Encounter

Tuesday, July 23rd – Wednesday, July 24th, 2019

About Creation Museum:

The state-of-the-art 75,000-square-foot museum brings the pages of the Bible to life, casting its characters and animals in dynamic form and placing them in familiar settings. Adam and Eve live in the Garden of Eden. Children play and dinosaurs roam near Eden's Rivers. The serpent coils cunningly in the Tree of the Knowledge of Good and Evil. Majestic murals, great masterpieces brimming with pulsating colors and details, provide a backdrop for many of the settings.

About The Ark Encounter:

You've probably seen pictures of Noah's Ark in children's books, complete with giraffe heads sticking out the top. But the real Noah's Ark, the one described in the Bible, was huge. It was amazingly seaworthy—a ship that kept the occupants safe during a year-long worldwide flood. Prepare to be blown away as you explore the life-sized reconstruction of Noah's Ark.
