The Toledo Zoo and Aquarium is one of the tops in the country. The Aquarium features 3,000+ aquatic animals in 178,000 gallons of water. And the Zoo houses an internationally-famous Hippoquarium®, where observers watch from inches away as hippos swim and play in their 360,000-gallon glass-sided pool. Other exhibits that make this zoo special are Arctic Encounter, Frog Town, Cheetah Valley, and Primate Forest. The exhibit, Africa! features free-roaming African animals such as giraffes, zebras, wildebeests, impalas, wild dogs, and ostriches, and can be enjoyed from an observation deck or the guided Safari train that circles the exhibit itself. Come, feed the giraffes.
