

IRISH HILLS FALL COLOR BUS TOUR

Our trip first takes us to an oasis of Fall Beauty at Hidden Lake Gardens located in the heart of the Irish Hills in Southeast Michigan. The Garden shows off its vistas cloaked in all the colors of the rainbow. Amazing backdrops, brilliant scenes and the rustle of trees giving their last before winter. The Harper Collection of Dwarf & Rare Conifers is so striking against the backdrop of the fall colors of the sassafras trees. The conifers seem to jump out at the observer. It is a photographer's paradise and a visitors joy. In all a picture postcard. After a tour at the Gardens, we'll head to the Historic Village of Tecumseh for a lunch at the famous Evans Street Station (*Named a Top 100 Best in the Midwest by USA Today*). Once you've finished with lunch, you'll have free time to visit the many quaint shops aligning the streets of this Historic Village.
