**At the time of the printing of this brochure some attractions remain closed or with no staff, so every attraction not 100%.**

**If places have closed etc due to the pandemic, comparable substitutions will be added**

**Day 1:** The **Pennsylvania Amish of Lancaster County** are America's oldest Amish settlement, where thousands still live a centuries-old "Plain" lifestyle. Step back in time to enjoy a slower pace - one where the horse & buggy remains a primary form of transportation, and where windmills dot the landscape, providing power harnessed from nature. Combined with **two fantastic shows** and **Koziar's Christmas Village**, this promises to be a fun holiday season getaway. Today is a travel day with **dinner included**.

**Day 2:** A **back-roads sightseeing tour of Amish Country** highlights our morning. Learn about their very conservative lifestyle and the early 18th century escape from Europe for their Anabaptist beliefs. Later visit an **Amish House & School** and learn how the Amish live today without electricity, plain dress, and one-room school education. Mid day visit **Kitchen Kettle Village**, and experience over 40 specialty shops, boutiques, restaurants and galleries. After some leisure time to freshen up join us for an **Amish dinner** followed by **Sight & Sounds - DAVID**. This world-class, state-of-the-art theatrical experience is quite simply - INCREDIBLE! Prepare to witness one of the most memorable theatre experiences you will ever see! [www.sight-sound.com](http://www.sight-sound.com)

**Day 3:** Take a day trip to **Lititz, PA**, the "**Coolest Small Town in America**". With a splendidly well-preserved small-town culture, Lititz is a treasure spot in the heart of Lancaster County. Visit **Julius Sturgis Pretzel Bakery** and tour the original bakery and get a hands-on lesson in pretzel twisting. Founded in 1861, it is the first commercial pretzel bakery in America. Next visit **Wilbur's Chocolates**. Founded in 1894, founder H.O. Wilbur got an unlikely source of inspiration: nature - and labeled it the Wilbur Bud. He developed a process that deposited specially blended aged chocolate into a solid shape that resembled a flower bud. Mid day we're at the **Dutch Apple Dinner Theatre**, a local landmark in Amish Country. Now in its 35th year, it consistently provides top quality productions, award-winning food and exceptional service. After **lunch** enjoy **ELF the Musical**. Based on the 2003 hit movie, Elf introduces us to a young orphan named Buddy, who mistakenly crawled into Santa's bag of gifts and was transported to the North Pole. Raised by elves his entire life, Buddy doesn't know he is actually human. When his enormous size and poor toy making ability cause him to face the truth, Buddy embarks on a journey to New York City to find his birth father and discover his true identity. This modern holiday classic is sure to make everyone embrace their inner elf as Buddy wins over his new family and helps New York remember the true meaning of Christmas. After all, the best way to spread Christmas cheer is singing loud for all to hear. After the show head back to our hotel for a quick freshen up. Tonight we're heading to **Bernville, PA**, a short 45 minute ride to witness one of the **country's most outstanding holiday light shows - Koziar's Christmas Village**. What began in 1948 has grown to a regional and national phenomena, and an award-winning **WINTER WONDERLAND!** Check it out at [koziarschristmasvillage.com](http://koziarschristmasvillage.com). **Dinner included**.

**Day 4 - Homeward bound.**
